

NERD 2015 Newport, Rhode Island March 6-8, 2015

I also attended the North East Region Delegate (NERD) gathering in Newport, RI. This was a wonderful experience to meet new Past Delegates. It was good to see familiar faces from past gatherings I have attended. We all love this program and support and encourage each other to keep carrying the message to the still suffering Alcoholic. Getting together with leaders who are encouraging and supporting new leaders in this life saving and spiritual program is so valuable for spiritual growth. We lead by example and you see that displayed by those who have gone before us. There were many Past Delegates who are standing for the North East Regional Trustee position present to meet and get to know on a personal level. I missed having Bob W. there for others to meet and see how much he has to offer for the future of this new lifestyle that we pass on to the still suffering. I was prepped further on being prepared for my first General Service Conference. Many Questions were asked by new Delegates on the "how to" of the job as Delegate. I benefit from the wealth of wisdom from our Area 47 Past Delegates who have supported, prepared and encouraged me from the first moment of the election outcome as Panel 65 Area 47 Delegate.
